**There are many programs in different countries
available to students.**

Because the dates, ages, application dates, costs, etc.

are so varied, to properly answer requests

for information, we need to know more

about the student.

When he/she will attend?

Date of Birth?

Language / Country of Interest?

Length of Stay?

Preferred Dates?

Public or Private School?

Extremely Important**

Before you ask about Academic Year Programs Abroad

Consult with your school guidance department

Or other authorized decision maker.

Find out if you will be allowed to go abroad,

What subjects you may be required to take,

What kind of grades or evaluations will be necessary.

If you clear this in advance,

The application process will be easier...

Fewer frustrations & last minute disappointments.
